New T/C G2 Contender Grip & Forend Completes Pachmayr's T/C Handgun Line

Pachmayr - a Lyman brand - has introduced a new Decelerator Grip and Forend set for T/C's popular G2 Contender. This new set combines the comfort and security of Pachmayr's Decelerator material with a distinctive, great looking design. Pachmayr originals, the grip and forend also feature sling swivel studs for comfortable carry or easy installation of a handy bipod.

The new G2 grip and forend join Pachmayr's popular original Contender sets and the newer Encore Standard and Magnum sets. A popular choice of knowledgeable hunters, all Pachmayr T/C grip and forend sets offer easy, no-gunsmithing installation and precise fit. In addition, the additional comfort and recoil control afforded by these Pachmayr sets can provide a noticeable increase in practical accuracy.

Pachmayr's new G2 Contender Grips and Forends, as well as those for all other T/C handgun models, are available individually or as sets. All Lyman products and brands, are available nationally through gunsmiths, firearms and sporting goods retailers and mail order companies. Pachmayr, TacStar, Trius Traps, Butch's Gun Care, TargDots, Uni-Dot Sights and A-Zoom Precision Snap Caps are all Lyman Brands.
