## **Pachmayr<sup>®</sup> Technology for New Browning<sup>®</sup> Inflex<sup>™</sup> Recoil Pad**

**For Release: Immediately  
January 2008**

**NEW!**

### **Browning<sup>®</sup> Taps Pachmayr<sup>®</sup> Technology For Radical New Inflex<sup>™</sup> Recoil Pad.**

Pachmayr<sup>®</sup> - a Lyman<sup>®</sup> brand and the leader in recoil technology and control - has announced the completion of a joint effort with Browning<sup>®</sup> engineers. The result is the new Inflex<sup>™</sup> Recoil pad. A high performance design combined with Pachmayr's Ultra-Soft material both looks and performs differently than any other recoil pad. This new technology is an important feature available only on Browning's most advanced new firearms.

Like Browning<sup>®</sup>, major firearms makers regularly turn to Pachmayr's products and expertise to add value and performance to the firearms they market. The new Inflex pad is the latest example of the close working relationship with both gunmakers and stock makers that continues more than 50 years after the introduction of Pachmayr's first recoil pad .

Inflex<sup>™</sup> Recoil pads are available only on Browning<sup>®</sup> firearms. Pachmayr's full line of products, as well as all Lyman<sup>®</sup> products and brands, are available nationally through gunsmiths, firearms and sporting goods retailers and mail order companies. Pachmayr<sup>®</sup>, TacStar<sup>®</sup>, Trius Traps<sup>®</sup>, Butch's<sup>®</sup> Gun Care<sup>®</sup>, TargDots<sup>®</sup>, Uni-Dot<sup>®</sup> Sights and A-Zoom<sup>®</sup> Precision Snap Caps are all Lyman<sup>®</sup> Brands.
